

Meherun Nesa

Date of birth: 27/10/2002 | Nationality: Bangladeshi |

Phone: 01884612060 | Email: meher.cse53@gmail.com |

Linkdin: <https://www.linkedin.com/in/meherun-nesa-26a579229/> |

Gender: Female | Address: Mirpur, Dhaka, Bangladesh

I enjoy working a lot. When I make a mistake, it serves as my motivation. I'm attempting to learn from my mistakes, and I believe I can. It may be difficult to balance, but I refuse to give up hope since it keeps me alive to see the lovely sunrise the next day.

WORK EXPERIENCE

General Secretary - PUCPC

December 2021– Present

I am currently the general secretary of Prime University's Programming Club. I teach juniors how to build exceptional programming skills as well as general problem-solving abilities. I am considering a research project that might lead to graduate school.

U-Reporter Bangladesh

January 2022 – Present

I work at U-Reporter doing online-based job. Gather data on all informational platforms for the advantage of the general population in our nation. We collaborate with Unicef Bangladesh and a number of other organizations that support development based on our work.

Devs Core – Internship

January 2022 – March 2022

I worked at Devs Core Software Company. I collaborated with the company's marketing team to gain the essential skills and field-level job experience. developing relationships with coworkers I helped to create marketing resources.

For Prothom Alo, an online journal, I formerly wrote poetry and short tales.

Volunteering

January 2015 - 2017

I volunteered at the 'Lakho Kanth Sonar Bangla' event, which had 2.5 lakh children in attendance, and I also served as a volunteer at my school in street cleaning and tree planting activities.

Others:

I was also a member of a theatrical group, the Bangladesh Kerate Federation, and an art organization for youngsters.
